

AUSTRALIAN TEAM RESULTS - 10th SKIF WORLD CUP, ATHENS GREECE

Following are the results of our Australian Team with special mention going to;
Georgette Dyett - Gold Individual Kata
Natalie Rouessart - Silver Individual Kumite and,
Chris Koikas - Bronze Individual Kumite

Australia has returned with more medals in the past but it has had never had so many semi-finalists (top 16) and finalists (top 8). Further, mention should be made to all who reached the third round - knocking on the door of the semis.

These results prove the overall standard of SKIA has improved and sets a great platform for the future. As Kancho says, "You should not judge the success of a Dojo by the number of Champions in that Dojo but, rather the standard of the whole Dojo".
